## Large Party Dinner Menu

We require a limited menu for all parties of 20 or more guests.

### Step 1 (optional): Appetizers

(chips and salsa provided free of charge of course!) If your party will require separate checks please specify how you would like the appetizers paid for. Either by one or two individuals or split amongst the group evenly.

Choose as many different appetizers as you like. For whichever appetizers you choose La Bodega will determine the appropriate portions for the size of your party so as to give you the best value.

- queso bodega       guacamole queso       tres bodegas (recommended)       fried calamari

### Step 2: Choose 2 entrees

La Bodega recommends choosing the Taco Plate and the Quesadilla. A majority of our guests prefer this and they can be prepared very quickly for a large group.

- baja taco plate       burrito       quesadilla

### Step 3: Choose 4 meats

La Bodega recommends Chicken, Steak, and Crispy Shrimp for 3 of your 4 options

- Chipotle Chicken       Grilled Steak       Crispy Shrimp       Grilled Fish  
 Pulled Pork       Chile Rubbed Salmon       Marinated Portabella       Crawfish  
 Habanero Shrimp

### Step 4: Dessert Option

If you would like dessert options printed on your menu please make arrangements with a manager. La Bodega can pre-order many award-winning desserts from Café Eccell provided they are ordered in advance. Dessert Items already listed on Bodega's menus are always available and do not require prior notice.

Would you like a dessert option/options printed on your special menu? Yes/no

We are always happy to accommodate the needs of our vegetarian customers. We have several options that we can provide in place of any of the above menu choices.

Descriptions for the above menu items are listed in the menu section of our La Bodega website.

With any large party reservation we must deal with certain restraints, but we are happy to discuss your requests if they do not fall within one of our above choices.
